

El-Fayoum, Egypt

ESLAM NASSER

JAVASCRIPT DEVELOPER

eslam.nasser.dev@gmail.com

EMPLOYMENT

Full Stack Developer **Technoway** **Oct 2017**

- Startups environments are the best to experience how MVP are built and racing the market by building rapid prototypes, and to follow my passion in helping the programming beginners I was supervising a small team of 3 to reach their full potentials.

Front-End Developer **Cloudtech Co.** **Oct 2016**

- Using the latest technologies in the Front-End industry such as VueJS and Angular2 I helped build and maintain big scale project like Fanni's admins dashboard and Motab3's Front-End side.

Front-End Developer **HEMSERV** **Feb 2016**

- Developing the PSD files that was delivered by the graphic designer and maintain it while the Back-End Developers do their magic.

Full Stack Developer **Freelancing** **Mar 2015 - Now**

- Building out the visual components of a website. Using HTML, CSS, and JavaScript, I build fast, interactive websites.

EDUCATION

El-Fayoum, Egypt **Fayoum University** **2015 - Now**

- Career shifting is hard, And it's the thing I'm proud of most.
- Merging my love for programming with my field of study be creating an interactive 3D models of fungi in [my graduation project](#) (still under development, should be done June 2019).
